Jun 01, 2007 - The first meeting of the Institute's Media and Conflict Working Group analyzed the role of the media throughout the conflict cycle. While a considerable amount of analysis has focused on the media’s potential to support democracy efforts and build sustainable peace, no similar effort has been given to analyze the role media can play in conflict prevention.

Aid group says tribal violence kills 24 in Sudan’s Darfur

In 2019, Sudan faced a worsening economic crisis, including high inflation and rising prices for essential items such as food, medicine and other commodities. After months of civil protest, a Transitional Government was formed in September 2019. The Transitional Government is pursuing a new social contract with the people, prioritizing peace and economic reform, which ...

Critical remarks by a medical colleague spark ‘most

Jun 01, 2020 · Conflict Resolution and the Cost of Peace Building. Sudan’s deep wounds from decades of conflict also pose a formidable challenge to the new government. Since the secession of South Sudan, the regions of Darfur, Nuba Mountains and Blue Nile have continued to suffer from the scourge of war and the pain of displacement and instability.

United Nations in Sudan

The civil war that has been tearing South Sudan apart since December 2013 is causing widespread destruction, death and displacement. 1.47 million people are internally displaced and another 2.2 million are refugees in neighbouring countries. A collapsing economy, reduced crop production and dependence on imports seriously undermine people’s ability to secure …
